

Dear parents,

Attached are some frequently asked questions from previous years. Hopefully this will help answer some questions you may have.

**Is the uniform compulsory to buy?**

The only uniform that is compulsory for the Grade 6 students is the navy polo shirt. All jumpers and lightweight jackets are optional.

**Are the blue polo shirt sizes different from the current green polo shirt?**

No. The Grade 6 Polos are provided by our school uniform provider Spartan School Supplies.

**Can we order any of the Grade 6 uniform after orders close?**

The blue polo shirts are now a stock item with our supplier, Spartan School Supplies, and can be ordered at any time through the year via their website.

Due to the specialty nature and the time involved in planning artwork and printing of the bomber, rugby and lightweight jacket this is a one time ordering process. No late orders can be made.

**How long do we have to place our orders?**

Orders open Monday, October 2<sup>nd</sup> and close at 5.00pm on Friday, October 20th.

**Can my child use their older sibling's polo shirt and lightweight jacket from previous years?**

Yes, of course. As of 2019, the year the student was in Grade 6 has been removed from the polo and jacket. Tops with the year on them are still fine to wear.

**Why are we placing orders for the uniforms so early?**

The rugby top and bomber jacket can take over 3 months to make from ordering, through the artwork and printing process and on to delivery. We start early with the hope of having items available for the end of the Grade 5 year or as early as possible as they return to school in Grade 6.
