3.. 2.. 1! Go! Luwin raced off but Jimia was faster. He overtook Luwin and won the race. "Get out of here! You're a loser!" Jimia and some other turtles taunted. If only I could be faster he thought.

Luwin decided to train to beat Jimia, but there was a problem, he didn't know how to train! Luwin was just too disappointed and decided to give up.

The end

Luwin searched the 'turtle onlinenet' There was a lady with a cruel smile and crooked yellow teeth but he could get faster! Why not? That was the last thought in luwins little head until... WAIT ITS ILLEGAL!

Page 6

Luwin thought that he has come this far so why not? With that attitude the lady knocked him out. When Luwin woke up, a tingling feeling absorbed his body and suddenly he was teleported to the school again. What a great opportunity it was! Luwin rushed to the oval where Jimia was training.

"Lets race!" He shouted and as Jimia lined up the tingling zapped, then... ZOOM! He sped off, beating the other turtle by a shellometre!

"How?" Said the turtle, Luwin beamed, "How, are you so dumb? You thought you could beat me? NEVER! I was just going easy and wasn't even trying! You're such a loser you should change your name to 'Lu-lose'! And with that, Luwin sped off, tears streaming down his face.

Luwin sprinted back to the lady's shack but when he got to the door.... She stormed out and cursed him! Luwin's tingling sensation got more intense and soon he was as small as an ant!

The end

Page 10 A shower will stop him from being fast right? Nope! Getting clean was just the first step and Luwin didn't know the next one. He tried getting dirty, lifting weights and especially walking slow but nothing worked! There was one thing he could do but it would take courage!

He had to confess! Luwin went to the town and stood on a table, a big 'humpf' cleared his voice then with newly found confidence Luwin said:

"I need to share something bad that I did to all of you, I did something illegal and I feel guilty. I just wanted to confess and get this all over with!"

All of the onlookers didn't care but soon the tingling was gone!

He booked an appointment and made sure that the turtler alarm was set. Luwin walked into the doctor's office, slowly, and was absolutely sure that this will work!

"Hello Luwin, I'm sure that I can solve your problem! Just have these pills, but don't take them everyday OR ELSE!

Page 13 Luwin gulped two in his mouth at once until his legs, arms, tail and longing to be faster started shaking uncontrollably until they gave out. Soon his whole body was viciously shuddering. Luwin's heart was already broken so instantly his body shriveled up and died.

The end

Listening to the doctor was a good decision, until he raced Jimia again.

ZOOM! He ran at the speed of a lion, beating the other turtle by a whole pizza!

"How?" Said Jimia, Luwin beamed, "How, are you so dumb? You thought you could beat me? NEVER! I was just going easy and wasn't even trying! You're such a loser you should change your name to 'Lu-lose'! And with that, Luwin sped off, tears streaming down his face. He needed revenge.

A yellow rounded rectangle containing a green outline of a turtle shell, two options labeled "Option 1" and "Option 2", and a green circular button labeled "Home".

Page 15 Revenge was only thing on his mind and as the rage took over, he slipped a pill into each of the turtle drinks. They won't even notice until they are as fast as me! He thought.

Page 16

A few hours passed, Luwin had just woken up from his nap when a scream came from the other shells.

"IM SPEEDING!" One screamed happily while the others were more concerned. He listened happily until the loudest voice of all boomed over.

"LUWIN!" Suddenly, he realised that maybe this wasn't the best idea.

Page 17 He ignored them but the taunts kept recurring with new and different stories until, it got so uncontrollably that Luwin moved to a new school. Still he was getting teased and decided to just give up in the quest.

The end

"LUWIN! Thank you so much for making me fast! I love it! And so does everyone else!" Had he just become a hero? Yes!

"Now we go and take over the humans and here is the plan..." He announced to newly fast turtles. They swarmed the towns, chewing on everything ,not normal, they could get their hands on. A light post, yes! A car, yes! A leaf, no!
