

YARD DUTY & SUPERVISION POLICY

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Apollo Parkways Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Apollo Parkways Primary School's grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students.

School staff will be on yard duty in the school grounds from 8:45am until the first bell of the day and again at the end of the school day until 3:45pm.

School staff will be on yard duty in the grade 5 & 6 classroom area from 8.45am for students to place their iPads in their classrooms locked filing cabinet.

Parents and carers should not allow their children to attend Apollo Parkways Primary School outside of these hours unless required as part of approved activities. Families are encouraged to contact the school office on 9433 1300 or Out of School Hours on 9433 1341 or visit the school's website on <http://www.apolloparkps.vic.edu.au/> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or

nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in the out of school hours care program (at a cost to the parents)
- contact Victoria Police and/or the Department of Families, Fairness and Housing (Child Protection) to arrange for the supervision, care and protection of the student.

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

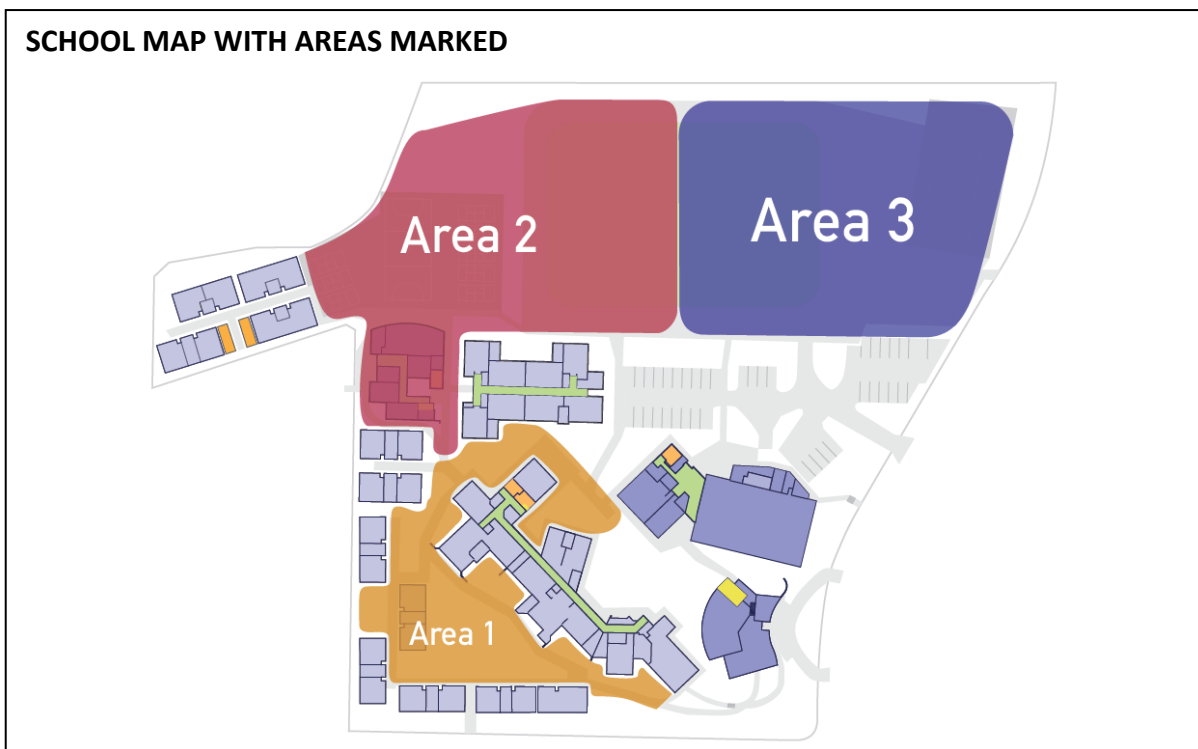

Yard duty

All staff at Apollo Parkways Primary School are expected to assist with yard duty supervision and will be included in the weekly Yard Duty timetable which are updated each term and amended to meet school needs when necessary. This may include specific swimming timetables, camp timetables etc.

The Principal and teacher whose role it is to update Yard Duty timetables is responsible for preparing and communicating the yard duty roster on a regular basis. At Apollo Parkways Primary School, school staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school include four areas and remain the same throughout the year

Area	Area
Area 1	Prep/ Grade 1 playgrounds and surrounding areas Main courtyard- including no-hat area, canteen and toilet block
Area 2	Area surrounding the Chadwick building, Community Centre and asphalt play areas and half the main oval.
Area 3	Half the main oval, grades 3-6 playgrounds and lower basketball court

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. All staff will be provided with their own hi-vis vest and yard duty bag
- carry the provided yard duty first aid bag at all times during supervision
- be familiar with the yard duty information pack containing student health and safety information stored in their yard duty first aid bag
- use either the school provided two-way radio or their own mobile phone for communication purposes.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have signed in (excluding drop off and collection periods)

- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal or Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact their Team Leader for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training Excursions Policy.

Digital devices and virtual classroom

Apollo Parkways Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to the supervision of students using digital devices.

Apollo Parkways Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on the school site. In these cases, students will be supervised in a common area.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with a disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of students in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning, Apollo Parkways Primary School will follow the operations guidance issued by the Department.

COMMUNICATION

This policy will be communicated to our school community in the following ways

- discussed at staff briefings or meetings, as required
- available on the school website

Information for parents and students on supervision before and after school is available on our school website.
