After a night with little sleep, you wake up at 6am from your noisy alarm, the usual time you wake up. You feel quite tired and don't want to get out of bed. Do you snooze your alarm and sleep in or suck it up and get up?

Snooze your alarm  
and stay in bed.

Suck it up and get up

# Page 2

After you get up, you slowly dawdle to your kitchen in tiredness to take your morning dose of caffeine pills to get you energized for the long day ahead. Suddenly you get a quick burst of energy so you don't know whether or not to take the pills. Do you take them or not take them?

Take them

Don't take  
them

# The End

The end. After sleeping in you wake up to find out that you are late to work and you get fired. After going through various job applications, you struggle to find a job. Eventually, you run out of money and end up having to live on the streets. Sickness finds a way to you through many people walking by you and you die.

# The End

After deciding to not take the pills you eat your breakfast and walk up your stairs to get changed. Then you start to feel tired again. Now you rush downstairs to take the caffeine but you fall down the stairs from passing out and die.

Ignore him

# The End

You consume everybody in the world After a while and vomit them out. Read the end of The Kluh for more information.

# The End

You vigorously hurt and eliminate the hippy dude, and you are sentenced to 21 more years of prison. You die from the death penalty after getting into multiple, vicious fights.

## Page 15

The hippy dude is left alone by you, and once you getteth out of prisonth, you want to go to college to study to work at Mickey D's. Do you apply for Community College or Ivy League?

Community  
College

Ivy League

You are accepted into faithful Community College.  
Do you decide to study Biology or Chocolate Milk?

Biology

Chocolate Milk

# The End

The end. You are not accepted into Ivy League and you can never get a job again due to you becoming more and more unstable over the hollowing years.

# The End

After studying Biology, you never truly find a love for it and your grades start to plummet and eventually you are not eligible for a degree.

## Page 19

You study tirelessly, trying to get your Chocolate Milk grades up, and you end up doing the best in your whole class and get a Bachelor's degree. Do you apply for Micky D's for 100 thousand moolah moolah per year or apply for KFC for 120 thousand moolah moolah per year?

Micky D's

KFC

# The End

After you send a request to KFC, you are greeted with an application. At the interview, the supervisor seems skeptical about hiring you, since you aren't wearing the classic KFC drip and your charisma levels are lower than Earth's core to the crusty crust parts of the Earth. You don't get the job in the end and Micky D's doesn't accept you because you chose KFC over them.

## Page 21

Micky D's are very inclusive and give you an interview. The interviewer is very nice and thinks you are great for the tough job. He hires you easily and you are very content. On your first day you are serving up Chicky nuggies. Do you give the people extra nuggy or not?

Give extra  
nuggy

Don't give  
extra nuggy

# The End

You live happily and live your best life, working at Micky D's for 21 years. You settle down and get married and have kids, living in a very nice rusty bin. At the age of 603 you die peacefully.

# Page 23 The End

As you don't give extra chicky nuggy, your boss sees you sneakily, and fires you for not being generous enough.
