

The Victorian Premiers' Reading Challenge is now open and Apollo Parkways is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface.
- rewarding students with badges as challenge milestones are achieved.
- the option for students to mark books as a favourite, give them a star rating or complete a book review.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by **6 September 2024**.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

Login details for families to access book searches, to record books read and lots of other fun reading activities will be coming home this week.

More information and login can be found [here](#) at the VPRC website.

During the Challenge we will be giving out some random prizes for participating students as well as a grand prize for the Apollo student with the most recorded books at the end of the Challenge.

Happy Reading and Good luck in your reading challenge.
