You wake up in the morning excited for your trip to Egypt as you are a tourist and have never been. You fly on a plane for 18 hours straight on the international flight and sleep for the trip. You wake up in the middle of the night due to you hearing a siren blaring. The pilot screams into the intercom warning you to brace for impact.

Option 1: Look around near you for something to weaken the impact.

Option 2: stay calm and put your body onto a safer position.

*You look around as the plane crash occurs as you get sent flying out of your seat face planting the ground losing your life.*

## Page 5

*The plane crashes into the runway nose down sliding across flipping onto its back. You tuck your head into your legs even tighter and close your eyes. The plane stops sliding across the ground!*

*Option 1: Lift your head up and look around for a way out.*

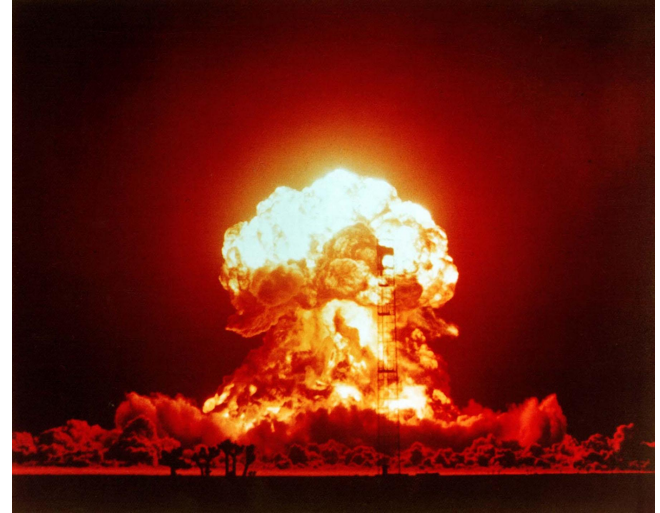

*Option 2: Keep your head tucked into your legs patiently and wait for the pilot to speak through the intercom.*

*You get up and walk around thinking you are safe until the pilot speaks into the intercom and advises you to stay in your seat. As you advance backwards further into the plane the engine explodes killing all the people in the back of the plane including people who wandered there like you.*

## Page 7

*The pilot speaks into the intercom warning all the people in the back of the plane that the engine might explode so they need to run to the front of the plane now. The final hazard, the engine, explodes as the pilot explains that you should be safe and to slowly exit the plane. You exit the plane to find yourself in the Cairo Airport near the pyramids, your destination and you see a large gift shop filled with cool Egyptian goods like a large plushie and a humongous slinky.*

*Option 1: Buy the Slinky*

*Option 2: Buy the Plushie*

Choice 1

Choice 2

*You walk into the huge store and choose the turtle Plushie. You walk up to the counter and try to pay but you card declines.*

## Page 9

*You walk through the airport satisfied with your slinky fiddling with it whilst you walk. You make it to the exit gate of the airport and walk out waiting for your cab to arrive. Minutes pass and he never comes as you pull your phone out of your pocket and order an Uber but you have two choices. A fast 1.4 star rated driver but with a cheap price of 5 EGP or a 5 star rated 100 EGP priced driver.*

*Option 1: The cheap one*

*Option 2: The expensive one*

*He arrives quickly and doesn't say a word. Boring. He takes a dangerous shortcut and as you keep on driving the car breaks down in the middle of the desert, you are lost now, never to be seen again.*

## Page 11

*You take the highway instead the dangerous shortcut path and safely drive down to the pyramids. You give the driver a hefty tip because she had driven you safely to your destination as you excitedly exit the car ready to go into the pyramids of Giza. You enter into the front door of the pyramid looking around, fascinated by the genius structuring of this monument. Weirdly no one else is in there with you as you hear a stony grinding noise coming from behind you, you turn around to see the doors closing.*

*Option 1: Run back and try to squeeze your way under the closing door.*

*Option 2: Turn on your flashlight and look around for another exit.*

*You get stuck under the door and swiftly pull yourself out but your foot gets caught on the door and you lose it. °°\*(>∂<)\*°°°. You exhale, relieved that you made it out alive. You are rushed to the hospital and they cover the hole in your leg as your foot is gone and are given a robotic foot. You live the rest of your life to the fullest getting a job and finding the woman you love.*

## Page 13

You aimlessly run around panicking with your flashlight in hand, seeing many gold and black statues of pharaohs and sense something is watching you. In the corner of your eye you see movement. Terrified, your heart rate rapidly increases and you start sweating. You cry for help seeing movement again. You turn around flashing your flashlight to see a gargantuan menacing looking pharaoh all up in your face.

Option 1: Turn around and run up the steep cobwebbed stairs.

Option 2: Try to find a hiding place to try to lose the pharaoh.

Option 3: Turn back and fight the pharaoh.

Choice 3

## Page 14

*You hide behind another pharaoh statue forgetting that they aren't even statues. You realise the mistake you've made but it's already too late.*

## Page 15

*You throw a punch at the pharaoh forgetting that it is six times your size. It picks you up with its finger and thumb and throws you away.*

## Page 16

*Flight after flight after flight of stairs you run out of breath happy to know that you shook off the pharaoh and find yourself in an empty room with a coffin in the centre reading King Tutankhamun the First. The pharaoh emerges out of it chasing you at a quick pace, but in the not so far distance on the furthest wall of the room you could make out a weird looking lever.*

*Option 1: Try to outrun the pharaoh*

*Option 2: Flick the lever*

*He slowly catches up to you. You look back and fall into the hole of which leads to the stairs. (where you came from)*

# Page 18

The floor beneath your feet opens and you fall into a room that never ends and is brighter than the sun. You lay down on the floor breathing heavily, tired from sprinting for so long to even reach the lever that brought you here. You roll around on the floor, thirsty, as you walk around to see a bold white and black sign that says Time Machine, that way . You walk in the direction it pointed in to see a small shed-like structure.

Option 1: Walk in and try and figure out how to use it.

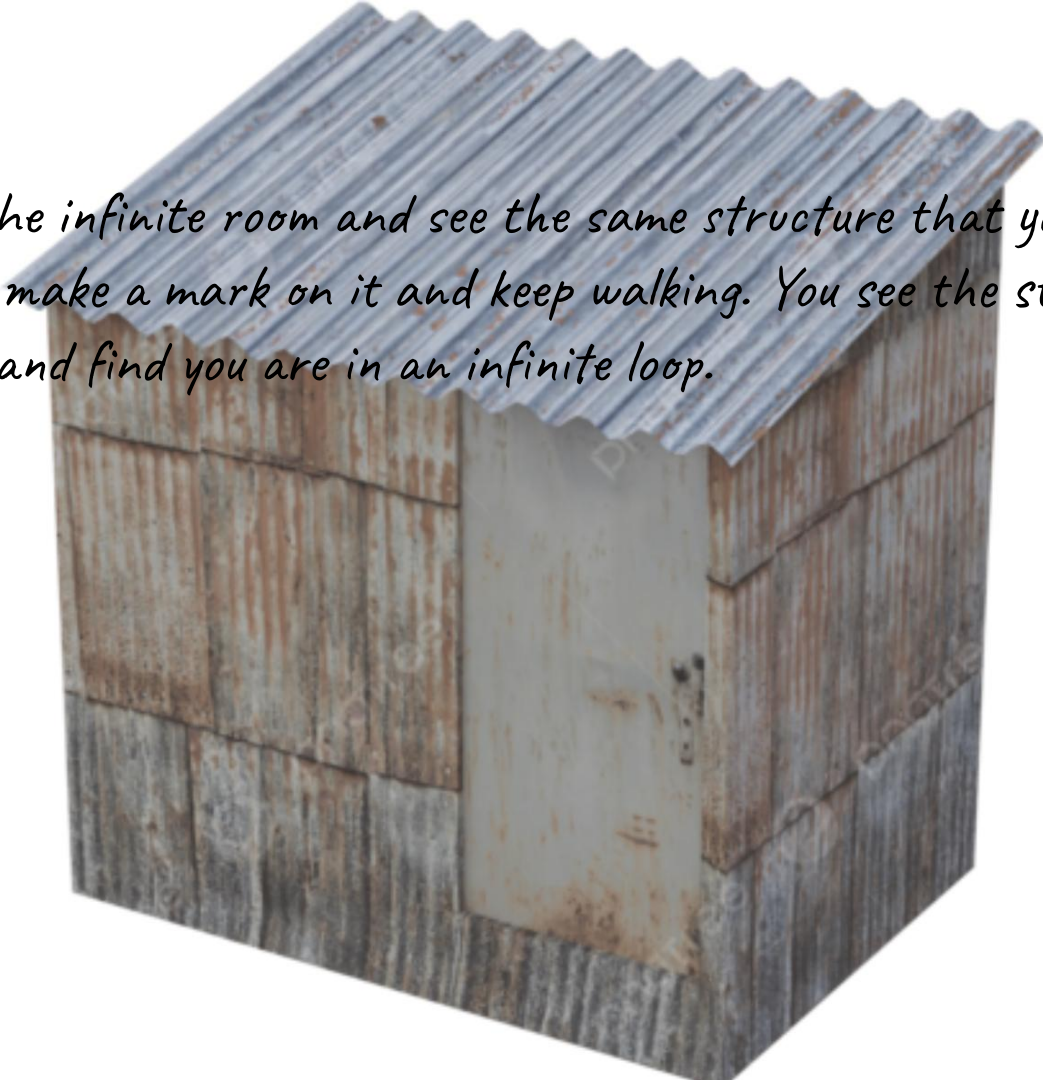

Option 2: Keep walking around in the hopes of finding resources.

Choice 1

Choice 2

## Page 19

*You walk through the infinite room and see the same structure that you just walked past. You decide to make a mark on it and keep walking. You see the structure again with your marking and find you are in an infinite loop.*

## Page 20

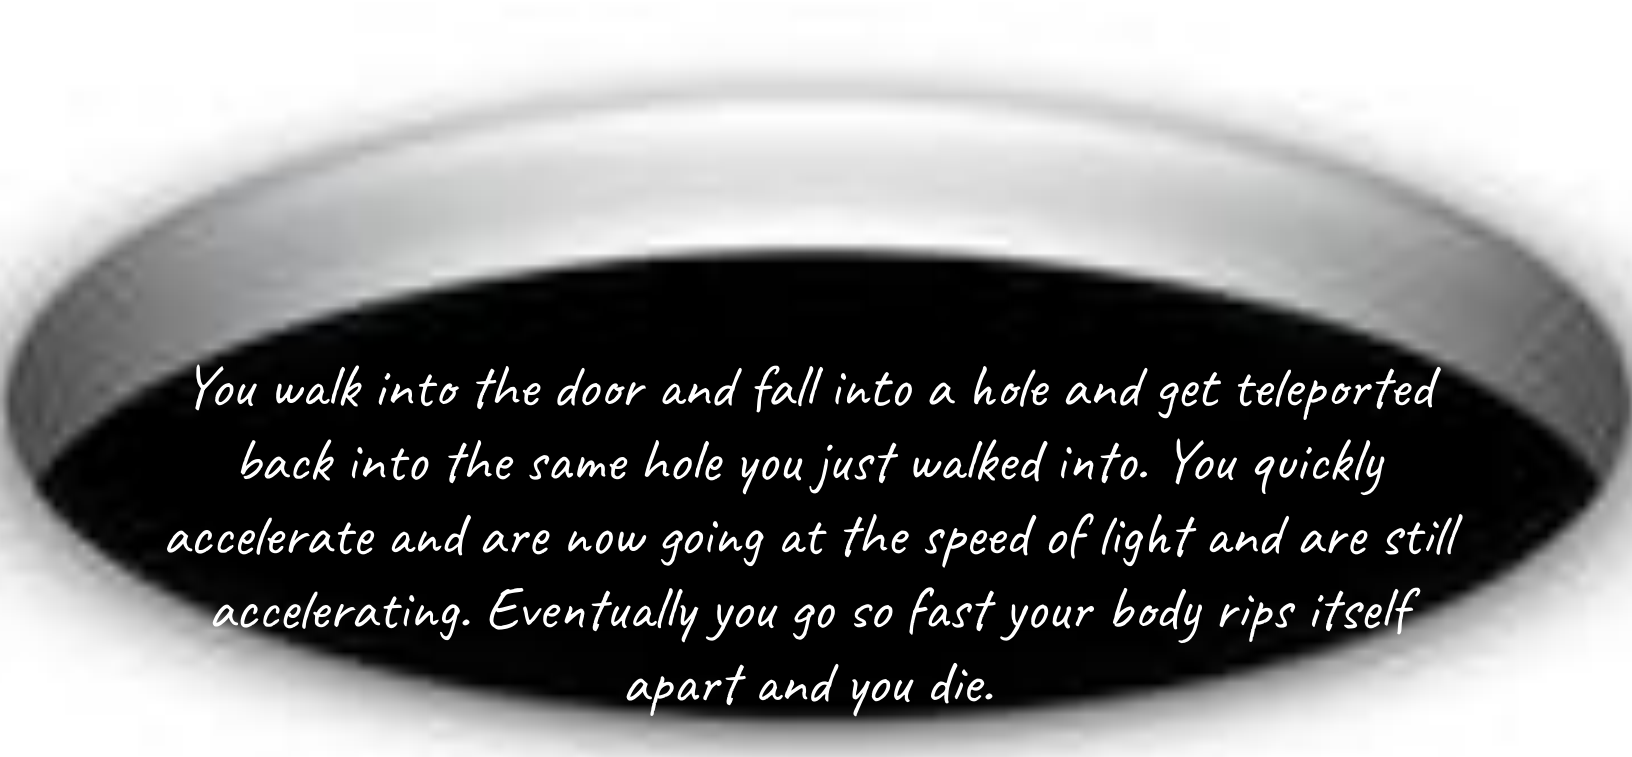

*You slowly and cautiously enter the Time Machine, fists locked and loaded, you look around for a switch or a button. There appears to be a camera which you believe is how you use the machine. You sit down on the bench in the machine but still don't understand how the machine functions and start button mashing. You get teleported into a random room with two doors. One of them say the Time Guardian and the other says infinite pit.*

*Option 1: Infinite Pit*

*Option 2: Time Guardian*

Choice 1

Choice 2

*You walk into the door and fall into a hole and get teleported back into the same hole you just walked into. You quickly accelerate and are now going at the speed of light and are still accelerating. Eventually you go so fast your body rips itself apart and you die.*

## Page 22

*You push the door open, listening carefully for movement. Suddenly, you hear a deep menacing voice from the far distance of the bright area. A large white boulder is thrown at you by a monumental cyclops-like figure wearing a rose gold robe with an obsidian rope tied around his hip. He claims that you have violated all the rules in the space and time continuum rule book and will have to fight him to the death.*

*Option 1: Run away*

*Option 2: Fight the monumental beast*

Choice 1

Choice 2

## Page 23

*You turn around and run as he picks you up and throws you miles away. You splat on the floor with a large thud, killing you.*

## Page 24

*You exclaim the fact that you will fight him and he passes you multiple weapons, a spear, a sword, a crossbow and a gun. You throw the spear at the beast as it catches it easily. You run at it gun and sword in either hand ready to shoot at it until you remember, the bigger you are, the harder you fall. You beg him to give you an extremely long rope and he laughs at your request and gives it to you not knowing you had a plan. You wrap the rope around its legs and it picks you up. With the rope tied around his legs. What do you do?*

*Option 1: Struggle out of his grasp.*

*Option 2: Shoot your gun through his hand multiple times*

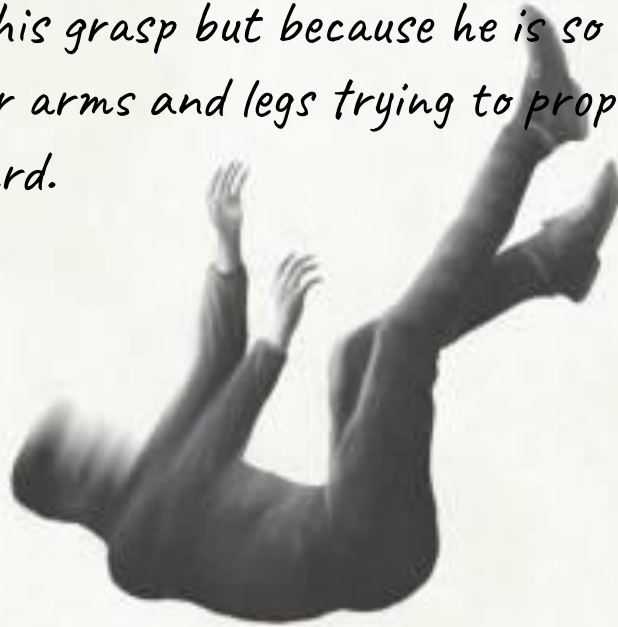

Choice 1

Choice 2

# Page 25

*You manage to get out of his grasp but because he is so tall you fall hundreds of metres down. You flap your arms and legs trying to propel yourself up but you fail and hit the ground too hard.*

## Page 26

You shoot through his hand putting him in pain as he falls onto the hard floor his hand breaking your fall. He is stuck and can't move and he begs you to help him out of the rope. You do under one condition and that is he teleports you back home. You untie the rope and he makes his end of the deal and teleports you home. You wake up in your own bedroom. You get up to grab your phone from the table in your living room because someone is calling you and it's your best friend Brian. You answer the call as Brian excitedly says "Wassup Levy, my man! Bro I wanna tell you something." "What?" You retort. "I'm travelling to Egypt!"
